WANTS TO KNOW WOMAN'S STATUS May She Be the Head of a Family!-

Capitol Notes. Mr. Frank P. Brent, secretary of the State Board of Education, received a let-ter yesterday from a gentleman in a near-by county, asking if a woman is

hend of the house. head of the house.

It seems that recently there has been trouble of some kind in the writer's school district, and that a board of reference had been demanded through a rdin-Avenue Christian church, resigne his charge Sunday morning. The resignation is to take effect three months from petition signed by seven persons. It is stated that five of the signers were women. The law says a petition for a board of reference must be signed by five beads of familiar Mr. December. Mr. Spencer does not state his reasons for this step, which was a heads of families. Mr. Brent's correspondent wished to know if a woman can be the head of a family in the sense meant by the authors of the section of school law to which reference is made surprise to the congregation. It is unhe influences which caused him to reach Mr. Spencer's congregations Sunday

Mr. Brent, in his reply, stated that while in the majority of cases the wo-man is the de facto head of the family were large, and his discourses were much the question as to whether she is the de jure head has not been settled, but could be a better pastor than Mr. Spenwill be decided in a case now pending it the United States District Court in this

AUDITORIUM'S GOOD BILL.

Was an Excellent One. Manager Leath, in his last vaudeville offering of this season, has a very good bill, and the audience last night, though Mr. J. W. Cleary for the repairs to the engine-house was duly signed by both the committee and the contractor. The work is to be finished by October 1st. The quarters of the Alert Fire Company only fairly large on account of the wea-ther, manifested its hearty approval of the six acts presented. Diana, the mirror-dancer, was the feature of the proare to be fitted up so as to accommodate the horse and hose-wagon, which are to be purchased. The wagon is now in course of construction. THE CHEROOT FACTORY.
The cheroot factory is assurred, it is believed. It is stated that one hundred skilled hands have been secured and a considerable number of those who will have to be taught. Only 200 are needed for the factory to be put into actual operation. Names of persons who will work are still being taken. Circulars have been sent to the neighboring places setting forth the inducements of the factory as a place to earn a livelihood and the city as a place of residence, to girls and young women who have to support themselves or have others described in the city as a place to earn a livelihood and the city as a place to residence, to girls and young women who have to support themselves or have others described in the city as a place to earn a livelihood and the city as a place to residence, to girls and young women who have to support themselves or have others described in the city as a place to earn a livelihood and the city as a place to residence, to girls and young women who have to support themselves or have others described in the city as a place to earn a livelihood and the city as a place to the city as a place to earn a livelihood and the city as a place to the factory as a place to earn a livelihood and the city as a place to the factory as a place to earn a livelihood and the city as a place to earn a livelihood and the city as a place to earn a livelihood and the city as a place to earn a livelihood and the city as a place to earn a livelihood and the city as a place to earn a livelihood and the city as a place to earn a livelihood and the city as a place to earn a livelihood and the city as a place to earn a livelihood and the city as a place to earn a livelihood and the city as a place to earn a livelihood and the city as a place to feel that and that smile fountain of the all climax to the act.
